

SKPF000331

Free-standing display unit for Smilio and Ubiqod Key

The [Smilio satisfaction terminals](#) allow for real-time surveys in public venues.

This stand is compatible with the [Smilio A](#), Smilio S, and Ubiqod Key ranges. It enables the positioning of the terminals at the heart of the customer experience.

Durable, it has been successfully used for years in the most challenging environments, such as hypermarkets.

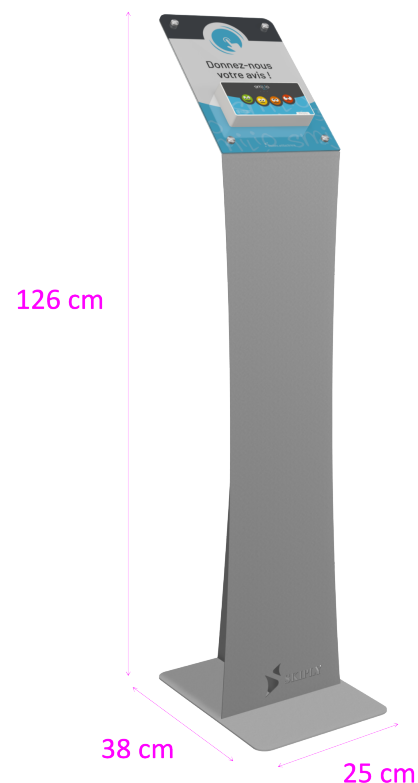

PRODUCT DESCRIPTION

The terminals are secured with screws, which are themselves covered by a clever cap that combines aesthetics and security.

This product does not include the terminal itself.

Technical Specifications

- Weight (without the casing): 20 kg,
- Mounting screws and screw caps provided.

Composition

- A base, stand, and lectern made of powder-coated welded steel,
- A printed poster (dimensions: W 25 x H 35 cm, printable on A3 printer),
- A transparent polycarbonate plate for attaching the Smilio A, Smilio S, UBIQOD KEY cases and protecting the poster.

Customization

Insertion of your poster under the transparent plate of the lectern
